

**II. Restriction Requirement**

In the Office Action, the Examiner required restriction under 35 U.S.C. § 121 between the following groups of claims:

- Group I**      Claims 1-42, drawn to a composition for lanthionizing keratin fibers, classified in class 424, subclass 70.2; and
- Group II**     Claims 43-131, drawn to a method and kit for lanthionizing keratin fibers, classified in class 132, subclass 203.

Applicants respectfully traverse the restriction requirement. However, to be fully responsive to the restriction requirement, Applicants elect, with traverse, the invention of Group I, Claims 1-42.

Applicants respectfully refer the Examiner to M.P.E.P. § 803, which sets forth the criteria and guidelines for Examiners to follow in making proper requirements for restriction. The M.P.E.P instructs the Examiner as follows:

If the search and examination of an entire application can be made without **serious burden**, the Office **must** examine it on the merits, even though it includes claims to independent or distinct inventions.

M.P.E.P. § 803 (emphasis added).

Here, Applicants respectfully submit that the Examiner has not demonstrated that examining Groups I and II will constitute a serious burden. Applicants respectfully submit that a search of Groups I and II would not be burdensome, as all of the claims recite a composition comprising, *inter alia*, at least one hydroxide compound and at least one reducing agent chosen from thiols, sulfites, and derivatives thereof. Thus, the

search and examination of Group I should substantially, if not completely, overlap the necessary search and examination for Group II.

In view of the foregoing remarks, Applicants believe the restriction requirement to be in error and respectfully request that the requirements be withdrawn.

If there is any fee due in connection with the filing of this Response, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
